Dear Sponsored Organisation,

We recently credited your account with the amount shown below. The payment was made as one or more of your members opened bank accounts with one of our branches in Canterbury, Ashburton or Surrey Hills. We will make these incentive payments every 6 months from now, as at 30th June and 31st December.

We hope that you will copy this letter on your website, to let your members know of these incentive payments. We have distributed over \$7000 to our sponsored organisations, ranging from \$875 to \$5, as a result of 530 accounts having been opened by their members with our three branches. We hope to pay out much larger amounts in the years to come. These payments have increased the total amount that we have paid in sponsorships and grants to over \$900,000 to over 120 organisations in our communities. This is a result of our promise to return 60% of our profits in sponsorships and grants.

The amount paid to your organisation was due to the following number of accounts having been opened with us:

	Total Accounts Opened	Incentive Per Account	Total
Home Loans	0	\$250	\$0
Personal Loans	0	\$50	\$0
Credit Cards	1	\$25	\$25
Business Acc/Term Deposit	1	\$10	\$10
Personal Acc	2	\$5	\$10
Total	4		\$45

The payments are for accounts opened with us up to 31st January 2010. If you are aware of more accounts having been opened by your members with one of our branches up to that date, please contact Fiona Kerr, our Surrey Hills Manager on 9890 7188 or by email: Fiona.kerr@bendigobank.com.au. We will adjust the payment as required.

You can view our sponsored organisations on our website
